

# **Take action against companies profiting from workfare!**

**1pm, Wed 19th October 2011**

**Outside the Welfare to Work convention at the  
Business Design Centre, Upper St, N1 0HQ**

This convention will bring together politicians and private companies making millions from the welfare to work industry. The agenda reads like a who's who of welfare abolition.

We're not fooled by "Welfare to Work": It means people forced to do unpaid work for multi-million pound companies such as Asda and Poundland. People risk losing the meagre £67 a week Jobseeker's Allowance if they do not work for such companies without pay.

Join us to don prison uniforms and ball and chains to expose the reality of the government's welfare reforms: forced labour in the UK.

## **Defend Welfare Gathering**

**Sunday 23 October, 11am-5pm, Somers Town  
Community Centre, 150 Ossulston St, NW1 1EE.**

Come to a meeting to share ideas and strategise to stop the government's attacks on welfare.

# You could be forced to work without pay.

The government is criminalising job seekers. People are being made to work without pay in Asda, Poundland, Tesco, Sainsburys, Matalan and other large corporations. Workfare is also filling the gaps in charity shops, hospitals and council offices. If people do not comply, they risk destitution: benefits can now be stopped for up to two years.
